

Pricing Guide 2013

Clean. Fresh. Timeless.

My goal is that 30 years from now you will still love your images as much as you did the moment they were taken. Not overprocessed and trendy, Just clean and classic.

Your session fee is due at the time of booking. An additional \$150 is due at the time of the session and will be applied towards products. There is a \$300 minimum product purchase. Spend \$500 in products and your session fee will be turned into a print credit for additional products.

Studio sessions are perfect to capture the milestones and yearly images of your child(ren).

Child, Family and Senior Sessions will last somewhere between 1-2 hours and 2-4 hours for Newborn Sessions. 30 images will be ready 14 days after your shoot and will be presented to you in form of a proofbook or online gallery. An in-person ordering session is highly recommended for these sessions.
